

What I said. World Public Media and Multilingual Radio Network's company policy is. Zero tolerance on spam and harassing e-mails. You have been traced to the collage. There will be charges filed. The College in Chicago was told the same thing. Any academic collage, primary schools, or secondary schools whom send such e-mails to Natsumi Mieko Kimi Kato's E-mail box, will be used against the education system, an legal notice will be written up and handed over the board of education for further investigations. the Federal Bureau of Investigation will also be on stand by, to watch all e-mails sent from any educational institutions. if there is a need for the system to be on a full lock down, ether the President of the United States will make the order. or the United States Congress will make the decision. This from:

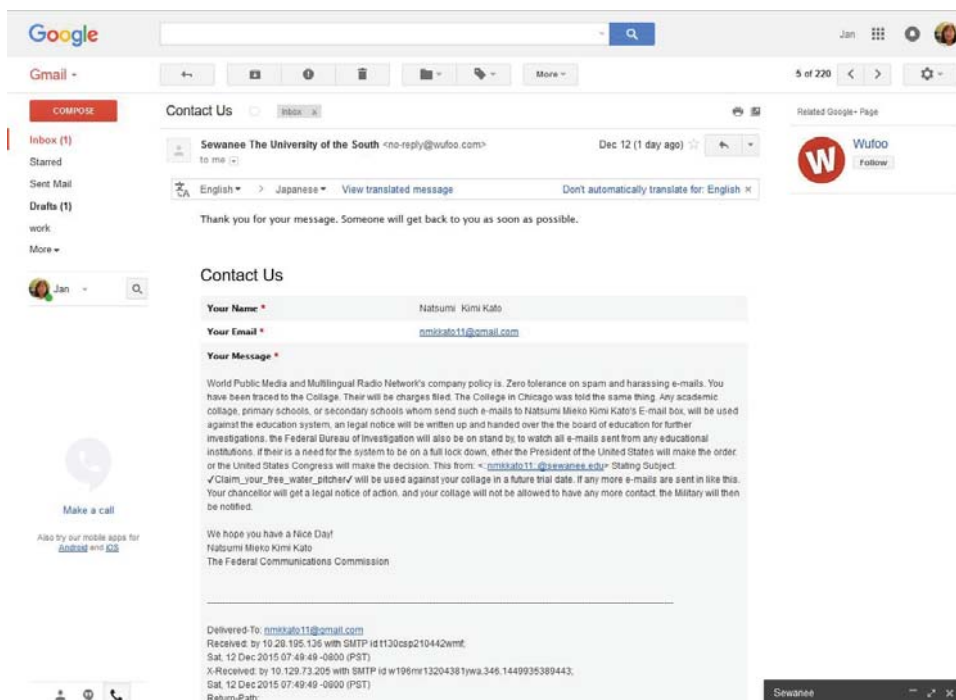

<:nmkkato11::@sewanee.edu> Stating Subject: ✓Claim_your_free_water_pitcher✓will be used against your collage in a future trial date. If any more e-mails are sent in like this. Your chancellor will get a legal notice of action. and your collage will not be allowed to have any more contact. the Military will then be notified.

We hope you have a Nice Day!
